See invites, posts and activity from people you actually know.

The Welcome screen

START WHERE YOU ARE

Invited in?

Open Click and see your people.

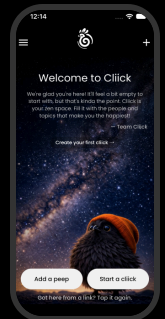

- Your click is waiting.**
"Join [click name]." Tap the check (✓) to join, or the X (✗) for not now.
- Every click has its own House Rules.**
Some let you right in. Others need the host's OK.
- Make your first post.** Say hello. Share a picture. Add a small moment from today.
- Start a click of your own.** Tap the chicken logo, then (+) New Click.

Got here from a link? Tap it again.

Found Click first?

Empty on purpose. Click starts empty so you choose who and what fills it.

- Start a click.** Tap **Start a click** and name it: Family, Besties, Pets.
- Make it yours.** Your last vacation, your best friend's birthday, your silly pet. Post one photo, a video, or a bunch.
- Invite your peeps.** Press and hold the chicken logo for your QR code. Share it with your favorite people.
- Start a few clicks.** Have fun with it.

After setup

Click grows naturally, one invite, one click at a time.

GOOD TO KNOW

The chicken logo at the top is a button.

Tap it for your dashboard. Press and hold it for your QR code.

Refreshable QR codes.

Every click has its own. Refresh it anytime. Old codes stop working.

Peeps wear a star.

Your closest people have a star on their profile photo.

One experience for everyone.

Guest: you and five others in each click.
Member: up to 250 people in each click.

Separate spaces.

People only see the clicks they're in.
Your family never sees your book club.

Quick Tips.

You'll see them when you first join, and anytime in the menu (≡) at the top left.

Download Click. Bring your peeps.
